

ANSWERS TO QUESTIONS RELATED TO RFP #23-003

Colegio Ponceño received the following questions and is providing answers below.

1) **Question:** Can you confirm the due date for proposals?

a. **Answer:** The deadline to submit proposals remains as stated in Amendment #1, December 13, 2023

2) **Question:** Do you have the following information available:

- Soil study and recommendations
- Structural study and recommendations
- Survey and topography
- Plans of the existing condition
- FEMA DDD related to hurricanes
- FEMA DDD related to earthquakes
- Environmental study required by FEMA.
- If not available, we would like to confirm if it is part of the services to be considered in the proposal.
- Other studies

a. **Answer:**

YES	NO	DOCUMENT(S)	NOTE
X		Soil study and recommendations	
X		Structural study and recommendations	
X		Survey and topography	
X		Plans of the existing condition	
X		FEMA DDD related to hurricanes	
X		FEMA DDD related to earthquakes	
	X	Environmental study required by FEMA.	The project(s) are not yet at this compliance step
	X	If not available, we would like to confirm if it is part of the services to be considered in the proposal.	This service will be procured separately
	X	Other studies	Colegio Ponceño is unaware of other existing studies
